METROID®
PRIME
HUNTERS
THE HUNT IS ON

A Space Pirate badly damaged in battle and reborn as a cyborg, Weavel must redeem himself and prove his skills are still supreme.

WEAVEL

TRACE

A young member of one of the most feared races in the galaxy, Trace is out to prove his worth during his right of passage.

METROID PRIME HUNTERS

CHOOSE YOUR HUNTER

For the first time in Nintendo history, six brand-new bounty hunters are introduced into the Metroid universe! A mighty race, now extinct, has left behind relics of their once-powerful warrior culture. Now, hunters from across the galaxy race to claim these relics in an effort to harness the power for themselves.

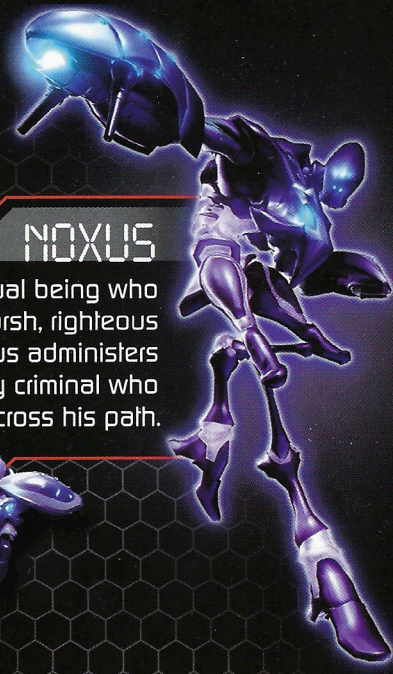
1 2 3 4 5 6

SYLUX

A cold and efficient killer, little is known about this bounty hunter, save his intense hatred for the Galactic Federation.

KANDEN

A lab experiment gone awry, Kanden was created to be the ultimate soldier – ferocious, deadly and unpredictable.



NOXUS

A spiritual being who walks a harsh, righteous path, Noxus administers justice to any criminal who dares cross his path.

R!

SPIRE

The last member of a race whose bodies are formed entirely of rock, Spire will stop at nothing to avenge the attempted extinction of his people.
